

Summer Vaccine Clinics

Sullivan County Public Health Services will be hosting immunization clinics in Liberty.

Looking for a COVID-19 Vaccine?

Sullivan County Public Health will be offering Pfizer COVID-19 vaccine for anyone aged 12 and older every Wednesday from 2:00-6:00 PM.

Pre-registration is recommended.

Please visit:

www.sullivanny.us

to register for a vaccine clinic.

The Pfizer COVID vaccine is a two (2) dose vaccine. Your appointment for the second dose will be 21 days after your first dose.

Now is also the time to find out what vaccines your child needs for school!

Does your child need vaccines for school?
We will also be offering a routine vaccination clinic on: **Wednesday, July 14**
Wednesday, August 11
from 2:00-6:00 PM

for **underinsured or uninsured children!**
Pre-registration is required.

Call Sullivan County Public Health Services at
845-292-5910, Ext. 0
for more information or to make an appointment.
