Welcome back From Food Service!

All students will have choice of main entrée offered or daily building alternates. Our High School Cafeteria will be piloting a new "Daily Specials" menu offering signature wraps, vegetarian options, and salads!

Students must take at least 3 of the 5 meal components offered. One item of the 3 minimum must be a fruit or a vegetable. Incomplete meals, or meals without a fruit or vegetable will be charged ala carte pricing. Menu Subject to change.

**\*Indicates locally sourced or produced items.**

NY Thursday is an initiative to highlight NY State grown and/or NY State produced items. The multiple local farms and businesses supporting our efforts will be highlighted on the District Website along with contact information. We will continue to indicate these items on our menus and are excited to bring these options to our students.

As we continue to build relationships and expand our local foods community and offerings, our additional grant funding will continue to provide fresh fruits and vegetable healthy snacks to our Elementary students during the days at no charge to our families!
